
Phenomenology Perception Maurice Merleau Ponty

maurice merleau-ponty: phenomenology of perception - why phenomenology has for so long remained at an initial stage, as a problem to be solved and a hope to be realized. it is a matter of describing, not of explaining or analysing. **maurice merleau-ponty: the world of perception** - the world of perception 'this is that rare genre, the careful popularisation, done by the original author. in simple prose merleau-ponty touches
